“Go therefore and make disciples of all nations...”
(Jesus)

Join volunteers from all over Europe for Impact Balkans

This year we have a wonderful opportunity for all those who want to experience a short-term mission to come together to serve the Balkan nations, the least reached of Europe, 15-24 July, 2024.

- Meet in Podgorica, Montenegro on 15 July, for three days of training.
- After training, volunteers will be divided into teams of 6-9 people with a leader and sent to different nations in the Balkan region. In the host nation volunteers will serve in various missions: camps, evangelism, service projects, and more.
- Register <https://impactbalkans.com>

Please pray for people to get involved in missions. Missions are life changing events, we experience that God often does more in the life of the mission volunteer than in the receiving nations, so pray to the Lord of the Harvest to send workers.

The poster features the 'MOZAIK' logo at the top, with a mosaic-style 'O'. Below it is a photograph of a stone bridge over a river in a town at dusk. To the right of the photo is a vertical strip of flags from various Balkan countries. Below the photo, the text reads 'IMPACT BALKANS 15. – 24. julij 2024'. At the bottom, there are bullet points: '200 ljudi iz vse Evrope skupaj na Balkanu', 'Pred tem tri dni priprav v Podgorici', and 'Ekipa 6-9 oseb z voditeljem po različnih državah'. The website 'www.mozaiklj.si' is listed, along with the PEM logo and a registration link: 'Prijava – <https://impactbalkans.com>'.

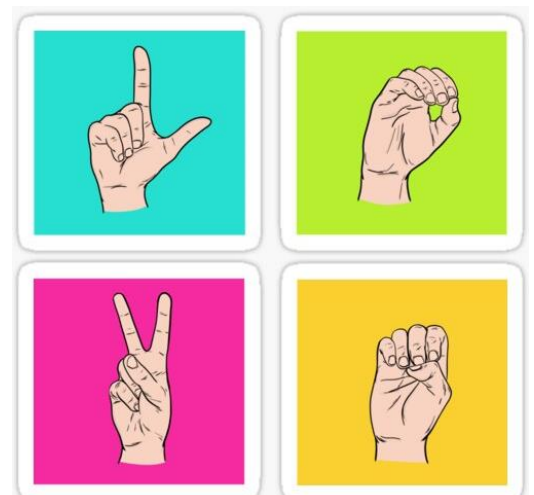

PEM is part of PEF, which is a network of European Pentecostal churches seeking to work together to evangelize the world and grow believers into the knowledge and grace of God. This mission is open to all believers.

Thank you so much for supporting the Deaf Community in Slovenia.

We are delighted to share that funds donated to assist the deaf community in Slovenia to lead a retreat prior to Christmas was a successful and wonderful event. Organizers report that Slovenia hosted deaf people from surrounding nations of Hungary, Czech, Ukraine, as well as Slovenia, in a three-day camp. Leaders advise that two people made decisions to follow Jesus with their life, during this time, and organizers are very thankful for the kind and generous support. Thank you so much to those who donated to this important ministry starting in Slovenia. The deaf community continue to work towards translating Bible stories in Slovene sign language and working towards regular gathering for Bible study for the camp.

Pray for the Christian Deaf Community as it grows and seeks to reach the many deaf people in Slovenia.

Teen Challenge Slovenia

The Teen Challenge team continues to do a magnificent work of ministry for our Lord serving the Balkan nations by providing an addiction rehabilitation center in coastal Slovenia. Many lives have been changed by the Gospel and rehabilitated to society. See their web page <https://izhodteenchallenge.org> for more information.

Please pray – for the much-needed building project.
