### Working together in Slovenia supporting our neighbors

Thank you, BC Slovenia, for supporting those suffering in Ukraine.

The War continues and our brethren are continuing to struggle daily. Over the course of the war through our Pentecostal network in Hungary we have been able to help families, churches, and some of those in need. Recently an individual donation was able to help Viktor M., who is a graduate to ETS Osijek to progress with his Chicken House. As the local pastor in the village, he has been trying different ways to grow food and increase production. He is currently building a chicken house on some land in the hope of producing eggs.

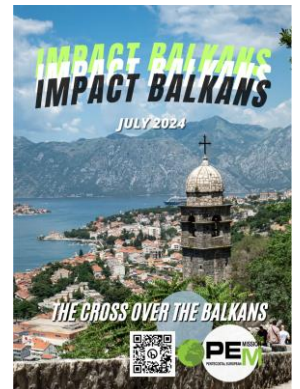

*Building a place for chickens to help grow food in the village in Ukraine.*

Please continue to pray with us for the end of this war. If you would like to donate to Viktor and his family, you can deposit to Mozaik with "Viktor" in the reference field. All funds go to the designated ministry.

### Short term Mission Opportunity in the Balkans

**July 2024!** We have a great opportunity to join Impact Balkans. This is a mission for all ages designed to spread the Gospel through the much-needed Balkan nations. Participants will go on a mission for approximately 9-10 days. The first three days will be training and then the remaining days sent to a specific location as part of a team around Balkans nations to serve the church and evangelize. Dates will be confirmed soon but are likely to be approx. 15 – 24 July 2024. Your local Pastor will receive updates, application info, and details as soon as they are available.

### Teen Challenge Slovenia

The team continues to do a magnificent work of ministry for our Lord serving the Balkan nations by providing an addiction rehabilitation center in coastal Slovenia. Many lives have been changed by the Gospel and rehabilitated to society.

With changing circumstances some supporters have dropped off. Perhaps you could consider partnering with this vital ministry, in a monthly commitment? You can support through Mozaik, just write "Izhod" in the reference field, all monies will go to ministry, or you are able to donate directly through [www.izhodteenchallenge.org](http://www.izhodteenchallenge.org).

## Montenegro

*Boris and Urša with family*

**Boris & Urša – Podgorica, Montenegro.** Boris and Urša are serving the church in Podgorica. This is the oldest Evangelical church in Montenegro planted in 1996, so all our support is greatly needed. Recently Boris has been ordained as a pastor to serve the church in all functions, as pastor Jovica steps back from work in Montenegro to more opportunities in Serbia.

**Please pray** – we need to help raise a some more income for this couple serving in a difficult place. Urša is a native of Slovenia, perhaps you could afford 10, 20 or 50€ per month? Every faithful gift helps. Pray that we could increase the support, for wisdom and grace as Boris and Urša serve the church.

## Macedonia

**Pastor Sašo & Renata – Kumanovo, Macedonia.** These days Sašo and

team had street evangelism in Kumanovo, and many people heard the Gospel. On one day they held an evangelism event in a restaurant for the people that were especially interested, 51 guests came and many of them were for first time present on an event to hear the Gospel. The last three days they had camp for men in Konjsko (Gevgelija) and about 60 brothers all around from Macedonia were there for three days. Sašo was one of the preachers that shared a message of renewal and they had a really had great time. **Please pray** – for the evangelism that they have been involved in that people would come to the Lord and connect to the church to grow. Also pray for the students in the Bible school, and that we could raise more money for support. Every little regular donation helps.
